

Dr. John A. Weeks Scholarship Golf Outing

On September 11, 2014, the EMU Construction Management Alumni Chapter will host our Annual Golf Outing. The outing raises money for the Dr. John A. Weeks Scholarship, enabling outstanding students to receive a first-class Construction Management education and go on to pursue employment within the local construction industry.

Our ability to fund scholarships for students is realized as a result of the generous support of companies like yours.
