

Earn LBC Credit for your work experience

Students can earn Learning Beyond The Classroom Credit (LB4- Professional Development) by creating a LinkedIn profile using their student employment job or any other work experience. Creation of the profile can help students identify interests and skills in order to strengthen and market themselves in a professional manner to future employers.

What Students need to do:

Create a LinkedIn profile with the following components:

- Upload a professional photo
- Include a complete educational background
- Write one job description with duties and/or accomplishments
- Identify at least three skills
- Obtain a minimum of one recommendation by a faculty member, coworker, or supervisor
 - Click on one of your connections
 - Click the "..." in the right corner
 - Request a recommendation
- Obtain a minimum of ten connections, including at least one career staff member (be sure to personalize the generic connection message!)
- Visit us at [linkedin.com/groups/4104254](https://www.linkedin.com/groups/4104254) and click "ask to join" to join our professional network
- Become a member of at least one additional group related to your field of study

When complete, contact your Career Center connection to have your profile reviewed for credit:

~~John Pondridge~~ jpondridge@emich.edu
John Carlson jcarls18@emich.edu
Barb Gehring bgehring@emich.edu

April Calkovsky acalkovs@emich.edu
* Mary Jane Fallot mfallot@emich.edu

I need LBC credit...
But I work too much
and don't have time!!
